

Hey God

Hey God I want to tell you that I love you
Hey God you know I am a part of you
Hey God I want to tell you that you are my friend

(1, 2, 3, 4!)

Hey God I want to tell you that I need you
Hey God not a love that I can see through
Hey God I know you're faithful to the end

Hey, hey, hey, God I love you
Hey, hey, hey, God I need you
I know there's not anything you can't do
I know there's nothing you won't see me through
Hey God!

Hey, hey, hey, God I need you

I know there's nothing you won't see me through
