

I'm Gonna Walk

I'm gonna walk, I'm gonna walk
I'm gonna walk, I'm gonna walk
I'm gonna walk in the light of Jesus
All the way

I'm gonna walk, I'm gonna walk
I'm gonna walk, I'm gonna walk
I'm gonna walk in the light of Jesus
Every day

When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus
All the way
When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus
Every day

I'm gonna twist, I'm gonna twist
I'm gonna twist, I'm gonna twist
I'm gonna twist in the light of Jesus
All the way

I'm gonna twist, I'm gonna twist
I'm gonna twist, I'm gonna twist
I'm gonna twist in the light of Jesus
Every day

When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus
All the way
When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus
Every day

I'm gonna jump, I'm gonna jump
I'm gonna jump, I'm gonna jump
I'm gonna jump in the light of Jesus
All the way

I'm gonna jump, I'm gonna jump
I'm gonna jump, I'm gonna jump
I'm gonna jump in the light of Jesus
I'm gonna twist in the light of Jesus
I'm gonna walk in the light of Jesus
Every day
